Dear Sir:

This communication is in response to the Examiner's telephone message to the attorney of record, Michael B. Lasky, on 15 January 2004 regarding the Office Action being returned to the Patent Office due to an incorrect address listed.

The Patent Application Information Retrieval system lists the Correspondence Address has been changed three times for the above-identified application. However, the attorney of record for this matter has not changed his address from when the patent application was originally filed on 21 June 2001. Altera Law Group has had problems with the address being incorrectly changed without our authorization. Please speak with Dave Scherbel at the Patent Office at (703) 308-1272 to verify our unique circumstances.

The attorney of record respectfully requests that the Office Action be reissued and sent to the address listed below.
